

LIPID SHIELD SPF 30

1.7 oz | 39 ingredients

KEY INGREDIENTS:

Zinc Oxide (21%) – Active Ingredient

- SPF30, non-nano mineral zinc oxide
- a mineral active that sits on the skin's surface to provide UVB protection without being absorbed. Ideal for sensitive skin and daily use. Free from chemical filters and nanoparticles.
- Reef-safe and non-toxic

TSC (INCI name: Disodium

Tetramethylhexadecenyl Succinoyl Cysteine)

- Reduces redness and inflammation caused by UV exposure
- Clinically proven to combat fine lines & wrinkles, reduce blemishes and improve skin texture/smoothness
- Protects against collagen breakdown by inhibiting collagenase production in human dermal fibroblasts

Dipotassium Glycyrrhizinate

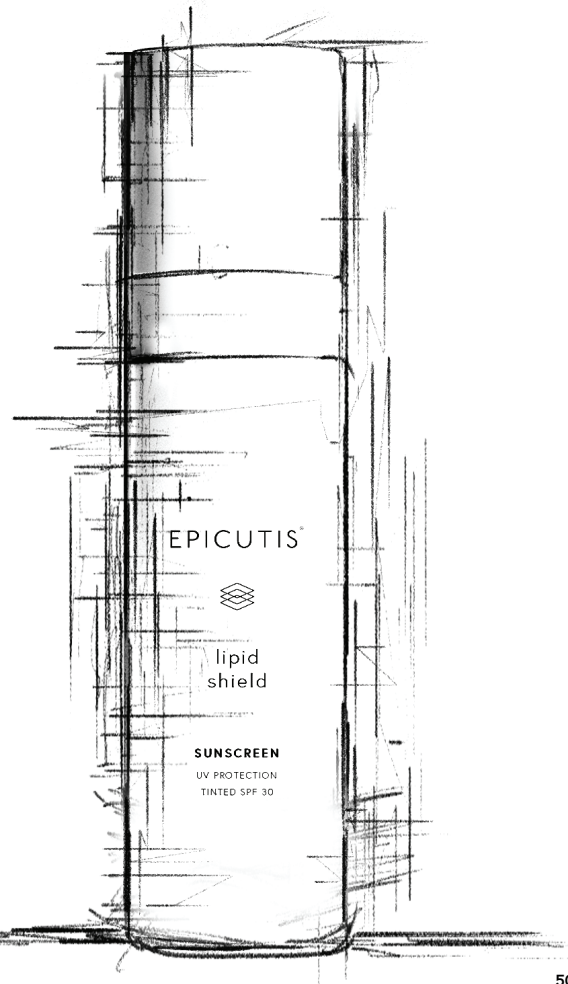

- A powerful anti-inflammatory and skin-soothing ingredient derived from licorice root
- Minimizes the risk of UV-induced irritation or stinging
Helps calm and soothe sun-exposed skin

Bisabolol

- Bisabolol is a natural, soothing ingredient derived from chamomile that helps calm irritated skin, reduce redness, and support skin recovery Supports skin barrier repair after sun damage Soothes redness and irritation caused by UV exposure or heat

Aloe Vera

- Aloe Vera is a soothing botanical extract known for its hydrating, calming, and skin-repairing properties. Ideal for sun-exposed or sensitive skin
- Provides natural hydration to help counteract dryness caused by sun exposure
- Exclusively made from the inner leaf fillet, excluding the outer rind and latex which contain aloin to ensure the final product remains safe, purified, and compliant with Prop 65 regulations.

50ML | 1.7 FL OZ

Ingredients:

- | | |
|--|-------------------------------|
| 1. Water (Aqua) | 24. Lecithin |
| 2. Caprylic/Capric Triglyceride | 25. Dimethicone |
| 3. Cetearyl Alcohol | 26. Coco-Caprylate/Caprates |
| 4. Coconut Alkanes | 27. Caprylyl/Capryl Glucoside |
| 5. Glycerin | 28. Caprylhydroxamic Acid |
| 6. Aloe Barbadensis Leaf Juice | 29. Tocopherol |
| 7. Argania Spinosa Kernel Oil | 30. Beta-Sitosterol |
| 8. Glyceryl Caprylate | 31. Squalene |
| 9. Coco-Glucoside | 32. Triethoxycaprylsilane |
| 10. Phaeodactylum Tricornutum Extract | 33. May Contain: Iron Oxide |
| 11. Butyrospermum Parkii (Shea) Butter | (CI 77491, CI77492, CI77499) |
| 12. Helianthus Annuus (Sunflower) Seed Oil | |
| 13. Disodium Tetramethylhexadecenyl Succinoyl Cysteine | |
| 14. Oryza Sativa Starch | |
| 15. Bisabolol | |
| 16. Dipotassium Glycyrrhizinate | |
| 17. Sodium Phytate | |
| 18. Xanthan Gum | |
| 19. Sclerotium Gum | |
| 20. Cetearyl Glucoside | |
| 21. Polyhydroxystearic Acid | |
| 22. Polyglyceryl-3 Polyricinoleate | |
| 23. Isostearic Acid | |
